

You are invited to attend a workshop about

Developing Fine Motor Skills

Tuesday, December 18, 2012 at 6:00pm
in Room 17, King George School

Please bring your kindergarten child with you to this session.

Due to limited space, we request that you find alternate care for any other children.

During this session, we will talk about fine motor skill development and give some fun ideas of things that can be done at home to help support your child in this area. After our short presentation, parents will have the opportunity to participate in some of these fun activities with their child. We look forward to seeing you on Tuesday, December 18th!
